Reflections

- Added Lots of Functionality
- Completed All Of Our goals
- Learned More About Various APIs
- J-Unit Tests
- Better User Interface Than Sprint One

Challenges faced

- MLKit VS Cloud vision
- Location services
- Firebase Documentation
- Image recognition Software
- Fingerprint Of Application
- Drawable Folders

SPRINT THREE PLANS

- Outfit Generator
- More J-unit Testing
- Closet Overview page
- Keeping Track of most recently worn and least recently worn
